POSTAGE STAMP PARADE

LARRY BORENSTEIN
706 Royal St. New Orleans 16, La.

CANAL ZONE: We illustrate the new 10c stamp commemorating the 25th anniversary of the establishment of the biological area on the island of Barro, Colorado.

DOMINICAN REPUBLIC: The Roosevelt series is now in preparation and should be on sale by June of this year.

EIRE: Two new airmails have just been issued, a 3 pence light blue, and a 6 pence red violet, each of these stamps pictures an Angel in flight bearing a banner on which is written "Vox Hiberniae." These are very attractive stamps and should prove quite popular.

ITALY: We illustrate the new 2 value set marking the centenary of the Italian constitution, denominations are 10 lire red violet, and 30 lire light blue, picturing a sculptor carving the law on a stone tablet.

JUGOSLAVIA: We illustrate the new 3 value set honoring the international fair at Zagreb. Denominations are 1.50 green, 2.50 red brown, and 5 indigo, on each of these is superimposed a map of Yugoslavia in red and the figure of a man in ultramarine so that each stamp is actually in 3 colors.

MAURITIUS: The long awaited series honoring the Centenary of Mauritius have been received these are very pretty and should be among the most popular of the British Colonies to be issued this year. Denominations are 5c red violet and orange, 12c green and orange, 20c blue and dark blue and 1 R brown and blue.

RUSSIA: We illustrate a new set just received honoring the 100th Anniversary of the communist manifesto; there is a 30 K. black, and 50 K. red brown.

SALVADOR: The long awaited Roosevelt sets have finally appeared. These are large attrac-

tive stamps and should prove to be the most popular of all the Roosevelt issues so far. We list below colors and denominations. In every case the central vignette is in black and the color given refers to the frame. The postage set consists of the 5c blue, showing the president decorating troops, the 8c green shows Mr. and Mrs. Roosevelt at home. The

12c violet shows a portrait of the President, the 15c vermilion shows, Roosevelt, Churchill and McKenize King in Conference. The 20c lake shows President Roosevelt's funeral; there is also a 1 Colon miniature sheet which shows the same scene as on the 15c denomination. But the central Vignette is in Sepia instead of black and the frame is in olive green. The air mail set consist of a 12c deep green, same as the 12c regular, a 14c olive green, same as the 5c regular, a 20c chocolate brown same as the 20c regular; a 25c red, same as the 8c regular; a 1 Colon maroon same as the 15c regular; a 2 Colones purple, same as the 50c regular, and a 4 Colones miniature sheet showing Mr. and Mrs. Roosevelt at home as on the 8c regular but with the Central Vignette in sepia. The word "Aereo" has been added to the design of each of the air mail stamps.

SALVADOR: The 10c yellow of the 1939 postage series Scott's No. 579, is to be overprinted "Aereo", for air mail use due to a shortage of this denomination.

"Adopt A Veteran" Project Recommended Highly To Collectors

The adoption of a plan submitted by Al Burns, editor of Western Stamp Collector, whereby individual collectors may "adopt a hospitalized serviceman and more personally encourage him in the pursuit of our hobby, is announced by Ernest A. Kehr, national chairman of Stamps for the Wounded.

The plan, proposed a month ago, was fully discussed and considered by officers of SFTW, and now is ready for acceptance by the collectors of the United States. According to the plan, the names of all hospitalized servicemen who are stamp collectors and able to carry on correspondence will be assembled by regional directors of SFTW and be kept available at national headquarters at 230 West 41st Street, New York 18, N. Y. In the meantime readers who wish to participate, may write for the name of a veteran whom they wish to "Adopt" for a period of one year.

"Adoption" will obligate the collector to maintain regular correspondence with one hospitalized serviceman, and the sending to him such duplicates as will fit his album. It also obligates him to offer such advice as will advance the serviceman's interest in an understanding of the pleasures to be derived from our hobby.

Needless to say, such "adoptions" will do much to aid our hobby generally and at least one serviceman in particular. We urge every reader to participate in this project and to faithfully maintain his contact with the serviceman so adopted.

CALPEX Opens Doors This Coming Week End

CALPEX, The California Collectors Club 10th Anniversary exhibit is ready for presentation. Although it is on a smaller scale than the 1947 CALPEX, this show will have a widely diversified group of exhibits; entries show one out of every six club members are exhibiting portions of their collections. Scanning the entries finds such choice items as Colombian Scadtas, Hand Painted U. S., presidential first day covers, the Roosevelts complete, 19th Century Netherlands, Switzerland, Western Franks, Denmark on hand drawn sheets and Mint, U. S., specialties.

The exhibits and bourse which will be held at Druids Hall, 44 Page Street, San Francisco will be open on Sat. May 15th from 10 AM to 10 PM and on Sun. May 16th from 10 AM to 8 PM. A quarterly meeting of the Council of Northern California Philatelic Societies will be held at 2:30 PM on May 16th. There will be no charge for admission to the exhibit and a special invitation is extended to junior and beginner collectors.

Club Visited By Presidential Candidate

U. S. Senator Robert A. Taft of Ohio was an unexpected guest at the regular Friday night meeting of Garfield-Perry Stamp Club at Hotel Hollenden on April 23rd. The Republican presidential candidate addressed the club briefly after an introduction by member Donald F. Lybarger, County Recorder. Although not on the club's program, the visit was a pleasant surprise and his talk on important events in the world today tied in well with the club's activities, as stamp collectors are as a rule more geographically minded than some other groups of hobbyists.

N. Y. Dealer Bourse
Was A Big Success

The stamp dealers bourse at the Hotel McAlpin in New York City on April 21st, was a big success from almost every angle. Perhaps the one thing that was lacking was better attendance on the part of New York dealers and interested persons who conceded the thing would be a flop before they ever went to it and thus stayed away. Such however was not the case and we know of instances where such dealers rather regret that they did not visit the show.

Mr. Tiger, who promoted the show is to be given much credit for the splendid way in which he handled it and we feel confident that if there is another or a similar show at an early Fall date that it will attract even more attendance than did this show. A one day stand is all too short for out of town dealers altho there were numerous in attendance and some from quite a distance.

Many dealers seemed to be quite active in trading with buyers, but regardless of any sales made at the tables it is certain that many new contacts were made that will result in business and pleasant relations in the future and building for future business is far more important than any on the spot sales that one can make.

For our own part, we had a table where copies of our weekly were passed out along with other literature and we feel confident that the future will show us good results from our attendance at the show. Talking with others who were in attendance we seemed to find that universal feeling was one of satisfaction with this first attempt at a National stamp dealers bourse and we believe the boys are ready to go along for a bigger and better show at some early Fall date which is the logical time for such an event.

Essex Stamp Club
Announces 1948 Stampex

Stampex 1948, the annual national stamp show in Northern New Jersey, will be held Friday to Sunday, October 15, 16 and 17, 1948. As last year, the show will be held in the Crystal Ballroom, Hotel Suburban, East Orange, New Jersey. The show will be open to all collectors desiring to participate. A large number of trophies for various special fields as well as for each section, will be given.

At present, not all fields have been covered by trophy donors. There is therefore an opportunity for those who wish to donate trophies for particular fields, such as particular countries or groups of countries, specialties such as flight covers, club exhibits, postal stationery, cancellations, precancels, subject-matter collections, and etc. to offer cups or plaques for these groups.

Prospectuses will probably be ready about May 1.

Those interested, either as exhibitors or as trophy donors, should communicate with the Stampex Committee, Essex Stamp Club, 982 Broad Street, Newark 2, New Jersey.

Original Subscriber
Thinks Linn's Is Tops

An original subscriber to Linn's, Leo A. McKee of Coffeyville, Kans. has just sent in his renewal for two years this time, since as he stated, he didn't want to take any chances of missing even one copy. Quoting from his letter, he says, "I don't suppose that you have many left on your list who are original subscribers like myself. I've taken the paper since the No. 1 issue, and also have every paper on file in my library from No. 1 to No. 1018. I wonder whether that can be duplicated by any other of your subscribers?"

NEWS

BY ROBERT H. GIERHART

ABCs RELEASED

The ABCs of Precancel collecting a compact little booklet published by the Precancel Stamp Society has just been released. This is the fourth edition of this work. It is just what its name implies, the beginners hand book of Precancel Collecting. C. C. Fisher, the Promotional Secretary has charge of distribution of these booklets. Mr. Fisher and members of the Capital Precancel Club combined their efforts to produce this fine edition. There is a small charge for the booklet but seriously interested collectors will gladly pay several times the price for the information contained. I understand they will be mailed with a nice precancel. Write Mr. Fisher at 1206 North Frederick St. Arlington, Va.

NOTES

The Auction list of Welmer and Suito mailed with a 1c Riverdale MD. precancel.—The Buckeye mailed from Commercial Point Ohio. This is the 716th Ohio town to use precancels, Type U-121N. A postcard brings a sample copy of the Buckeye.—Make your plans to come to Richmond Ind. May 15 and 16. No matter if you know any one who will be there or not. It won't take you long to get acquainted.

ATLANTA 24c SCARCE

According to some collectors the 24c Narrow bureau is on its way to be the scarcest of all the Narrow Bureau prints. It is believed that the remainder of the sheets that were in stock in Atlanta were returned to Washington. It is quite possible that this is true but it really presents a very nice set of conflicting conditions. Here they are. There is good reason for returning the stamps, if they were returned, namely credit. All offices operate on a credit based on the annual amount of business transacted at each office. If a quantity of stamps are in the office that don't move they of course tie up the credit of that office and hinder the free flow of stamps of the value that do move. In other words it actually impairs the capital of the office.

So the postmaster often gets permission to return such stamps to Washington. Now of course they could have very easily used up a good amount of these stamps at the parcel post windows. Of course that would have taken a little extra effort and also we are led to believe that help is scarce in the post office department. So it is more in keeping to destroy the stamps than to use them up.

The other score is this. That the reason given out when the Presidential series was released with its many denominations, was that there would be a denomination for most any parcel rate and only ONE stamp should be used to a package wherever possible. I understood that orders were once given to this effect.

However here it is, an odd value being made in the first place to make a saving and then being destroyed by the thousands when a little perseverance and cooperation could have salvaged them. So I think the tip is good. Get a copy of the 24c Atlanta Narrow in whatever condition it might be. Maybe you will never see another.

Stamp And Coin
Catalog For Dealers

A catalog that should be of much interest to the trade has just been released by M. Meghrig & Sons, 116 Nassau St., New York 7, N. Y. Not only is there a nice line of stamps and philatelic supplies for the interest of the stamp dealer, but there is also a comprehensive listing of supplies and accessories for the dealer in coins. This is the first full scale catalog of this kind that Meghrigs have produced since the war, for due to the unsettled conditions in the stamp world which existed up until last fall, they confined their offerings to several pages of current price lists.

In speaking of the new catalog, Mr. Meghrig states, "that we have tried to include in this publication every possible group of stamps and philatelic merchandise of which we carry ample stocks, although we have had to eliminate many different groups, particularly in stamps, and hope to include these in later editions, but in the meanwhile, it is advisable for clients to send us special price inquiries for merchandise not listed in our publication."

The catalog does offer mint and used United States stamps by the ten and hundred, along with several of the popular lines of albums, stock books and accessories. Dealers should direct their requests for the "1948 Annual Catalog of United States Philatelic and Numismatic Accessories" to Meghrigs at the above address.

Belgium And Congo On
New Wholesale Bulletin

Dealers will welcome the new wholesale list, No. 78, that has been released by S. Serebrakian, Hotel Astor, New York 19, N. Y. It lists and prices the stamps of Belgium and the Congo both in mint and used sets. Both are popular countries getting big plays from collectors, and it isn't too often that an offering as comprehensive is made in wholesale quantities. Even though their stocks are quite ample at the present time, Mr. Serebrakian states that they are finding it quite difficult to replace limited supplies of the stamps of these and other countries as they disappear from stock. So therefore, the advice is to investigate and buy at once those items that are wanted.

Home Again

After all, there is no place like home, yet home to me is now a rather lonely place and after five weeks away from here in a search for peace of mind and strength to carry the burden which I must carry, I am back on the job determined to go forward with my work and face the future with hope of a cheerful and pleasant outlook on life. I first want to thank the hundreds of friends, people whom I know by personal contact as well as hundreds of others whom I have never met, yet have talked to through the columns of this paper, for the splendid cards and letters which have come to our office in an avalanche, in my hour of mourning. I can not attempt to reply to all of these altho some were so inspiring that personal replies will be made to them. My first big task is to clear up the mail of a more personal nature that has been laid aside for my attention. Most of the business mail that usually has my attention has been taken care of by my daughter Hazel who has been a splendid branch to lean on in the past weeks.

GEO. LINN

I can only ask the indulgence and patience of those who expect a reply from me and hope that by the time this is in print that I will have caught up with all these parties.

My stay in Florida this time was a pleasant one, the weather was delightful and I acquired a real sun tan without the discomfort of a sun burn such as I had in February.

Before I left Florida I had Hazel fly down to spend a few days with me and to drive to New York with me to attend the Dealers Bourse which was held at the McAlpin Hotel on April 21st and about which I have written in another article in this issue of the Weekly.

Our trip from Miami was started at 8:30 Sunday morning, April 18, we drove to a point north of Savannah, Ga., on that date, started out early on the morning of the 19th and spent the night in Marlboro, Md., after a ride across that big new bridge across the mouth of Chesapeake Bay, a bridge that seemed to run on and on without end.

Starting early again on Tuesday morning we finally reached that speedway, the Pulaski Skyway, that leads to the Hudson Tunnel and into New York proper. We arrived at the hotel at 1:30 in the afternoon, practically a two and a half day trip from Miami Beach to New York and brothers and sisters, that is making time.

Always when in New York, we have so many invitations to this and that and so many things we want to do that we never get through and it is a hard problem to pick out what we will do and a hard problem to find excuses for not doing some of the things we are invited to do.

Our first evening was spent with Mr. and Mrs. Henry Lieblich who operate the Cosmopolitan Stamp Company at 1457 Broadway. A dinner of sea food at the King of the Seas on Third Avenue is always a treat to anyone who loves sea food and as for myself I get as much pleasure out of watching Hazel devour a lobster as I do out of eating the light meal I always eat, or most always, for on these occasions I usually do stretch and let my belt out a few notches.

Incidentally, the Cosmopolitan Stamp Company is planning something that is destined to be a big thing in the Philatelic world if it is put through as anticipated. I am not at liberty to speak of it now but hope to cooperate in the production of this new project and Linn's Weekly will carry the first announcement when ready.

Wednesday was a day at the bourse and a day at one of these events is always something that wears you down a bit for it means a ten to twelve hour grind with little chance for relaxation.

Thursday we started visiting some of the stamp shops and some of the stores which always attract a woman and Hazel is still interested in seeing what the well dressed New Yorker wears. On this day we had our lunch in the sunken garden at Rockefeller Plaza and we had a dinner date at 6:00 o'clock with Mr. Jacques Minkus of the Gimbel Stamp Department. This date lasted almost a full three hours

where we had a very pleasant chat with this biggest of the New York dealers. It is always an amazing sight to go into the Gimbel Stamp Department where sixteen clerks are employed to serve the dozens of collectors who always throng the counters. At no other place in New York is there such activity.

Leaving Mr. Minkus about 9:00 o'clock we rushed to 150 Central Park South where we spent the remainder of the evening in the 23rd floor apartment of Mr. and Mrs. Ernie Jarvis. Collectors should remember Mr. Jarvis as the owner of the Kenmore Stamp Company of Kenmore, New York which in its time was the greatest house in the country dealing in British Colonials and stamps of the British Empire. This business was sold to H. E. Harris and Company after the beginning of the last war when Mr. Jarvis found it necessary to devote his entire energies to his business, the Niagara Falls Smelting and Refining Corporation. Mr. Jarvis is now President of Continental Industries Inc., at 343 Madison Avenue.

Thursday morning we dropped in for a chat with Mr. Souren at his Park Avenue store, we both held in our hands that block of 24c 1869 inverts which Mr. Souren carries about in his coat pocket. He had only recently returned from a trip to Brazil and was planning a trip around the world by plane.

On this same afternoon we visited the Hobbs Stamp Company where the Margulies Brothers showed us the biggest stock of wholesale United States stamps held by anyone in this country. These boys have the goods and they are constantly buying and selling. We were presented with a pair of tickets for the opening game of the Dodgers and in the evening Mr. Jarvis offered us box seats for the opening game of the Yankees, both Friday afternoon. Since we had already planned our activity for Friday afternoon we were unable to use any of those tickets, yet we know some baseball fans here in Sidney who would have given their pants to get either pair.

Our date for Friday afternoon was a visit to Jamaica and the races and it turned out a profitable afternoon. Henry Lieblich of the Cosmopolitan Stamp Company accompanied us and I gave Henry a demonstration of how to pick the winners. I picked the first race, the second race, lost on the third because I did not like any of the offerings, picked the fourth race and on the last three had the horses in the money in each race and collected a bit on each one, winding up the day with an even \$99.00 winning.

For Friday evening we had planned seeing a good show and through the efforts of Mrs. Lieblich we got a pair of tickets for High Button Shoes at the Schubert and believe me if you have not seen that yet, you will find one of the dances, put on by a very clever team, worth the full price of admission.

Saturday our time was running short for we planned to leave early Sunday morning for home. Shopping was uppermost in the mind of Hazel and she took me for a cleaning at some of the better stores. For the evening we had a date with Paul Bluss and his lovely wife, this proved to be a tour of New York in which we covered more ground and saw more of the city and its surroundings than ever before in a few hours time. Our host loaded us into an auto and we headed for the Hans Christian Anderson Restaurant, up in Jersey beyond Hackensack. This is one of the choice spots for gourmets and entrance is only by reservation. I should hesitate to tell you what we had to eat and drink for some would hardly believe me. Next we drove back across the George Washington Bridge, over the Tri-Borough Bridge and out to LaGuardia Field where we saw some of the sights of this great Airport, later we headed for down town New York to the Bowery where we visited what is known as the only Bowery Cabaret, a spot frequented by sightseers and far more genteel and clean than many of the big hot spots in Upper New York. Leaving this place we went to Lindy's, famous for good food and a spot where the big shots from the Night Clubs and Theatres congregate after their nights work is done.

Eat, well we never ate so much before in an evening and Mr. Bluss is a connoisseur of good food so we were tempted by numerous dishes that would tickle the palate of anyone. At a late hour we wound up in our hotel, ready to sleep and make an early start for home on Sunday morning, but after-four days such as we had spent in running our

Probably The Best Of The Roosevelt Sets

This is the Souvenir Sheet issued by the Republic of Salvador as part of the series dedicated to Franklin Roosevelt. Color is dark green and black, has a value of 4 Colones and is intended to prepay air mail. Shown are the late president and Mrs. Roosevelt relaxing in their home, she knitting and he reading a book. A similar souvenir sheet in olive brown and black was released to prepay regular postage, and it had a value of 1 Colon. Shown on it was Roosevelt in conference with Winston Churchill and Mackenzie King. The entire set while running into a rather high face value is probably the best of the issues to commemorate F. D. R. Other stamps in the series are six for regular postage and six for airmail. They were issued in sufficient quantities to forestall speculation.

Address Given For Strawberry Cachet

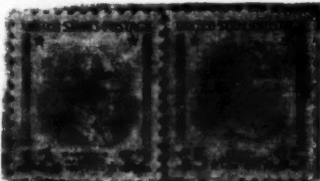

A slip-up was made when the address to which covers were to be sent to obtain the Strawberry Cachet was not included with the original announcement in the April 26 issue. This is a cachet sponsored by the Kalama Stamp Club, Kalama, Washington on the occasion of the annual festival held in that town at the height of the strawberry season. Recheck page two of the April 26 issue for the other details, and then send your covers to the Kalama Stamp Club, Kalama, Washington.

Stamps Entered In Indiana Hobby Show

On Saturday and Sunday May 15 and 16, the Calumet Philatelic Society will enter an exhibition of stamps and related philatelic material in the Hobby Show held in Hammond, Indiana. It might be of interest to the stamp collectors in that area to take advantage of this exhibition and meet some of their brother collectors and perhaps think of becoming affiliated with them. Due to the variety of the hobbies shown at this time, it will be a place of entertainment for each member of the family, who can investigate their own favorites for as long as they wish.

Cuba Honors Airmail Society's Convention

The final details of the issue to be made by Cuba to honor the Convention of the American Airmail Society have been released. That country plans to overprint the souvenir sheet issued in 1940 to commemorate the 100th Anniversary of the Postage Stamp and which is listed by Scott as CB-1. The overprint will read, "Convention of American Airmail Society—May 21, 1948". Face value of the sheet will be 60 c.

Along with the sheet, a cachet will also appear to be applied to the covers of collectors on the first day of issue, May 21.

BRITISH EMPIRE CHATTER

by HENRY M. FRIEDMAN
Box 21, Planetarium Sta.
New York 24, N. Y.

BRITISH GUIANA. A Linn's reader has submitted the stamp shown here, requesting an opinion as to the cause of the obliteration of part of the King's head. Apparently this was caused by some foreign substance adhering to the plate, which took the ink, and left its impression on the paper. Perhaps some of our readers can solve the mystery. Unfortunately, the stamp has a corner missing, but it is an interesting oddity and worthy of a place in a British Guiana collection.

RUMOR OR FACT. There is a strong rumor in London, that in September, the 44 Crown Colonies will issue two stamps each, the values of which are to be decided later on, to commemorate the Royal Silver Wedding. It is thought that the new Dominion of Ceylon will also issue two stamps for this occasion. Other Dominions have already issued or announced Royal Wedding stamps, so it may result in a complete series, similar to the peace sets.

PEACE SETS. Some American dealers must have overbought the peace sets and now being in need of cash are offering these in full sheets at the various wholesale auction sales, where prices for these sets have been going down, so that many lots are sold below face. This will probably result in lower retail prices until this surplus is absorbed. In London, there is a real shortage of the Peace sets and wholesale prices are much higher than the current retail prices here in the United States. However, due to Governmental restrictions the surplus of these sets in the United States cannot be sold for American dollars in London, with the result that the American collector can complete these sets now, at prices below London's wholesale.

CEYLON. Originally perforated 13½ the current 5c stamp of Ceylon has turned up perforated 12 in a supply received in London from the Colony. This perforation 12 was not found in any supply received direct from the Crown agents. This may be a new printing and it is possible that other values may soon appear perforated 12.

EDITORIAL

(Continued from Page 4)

selves ragged in seeing the sights of the big city we were too tired to rise early and did not get away from the hotel till 1:20 in the afternoon. Traffic in New York is light on Sunday and we got well out into Jersey and on our way fast. We drove to Harrisburg, took the Turnpike west of there and spent the night at Greensburg, Pa., an early start Monday morning got us home in Sidney before five Monday afternoon and that ended the holiday.

This story is running well beyond the space I usually use in my editorials and it is hardly an editorial, yet I know that I will be excused for using this space in this manner, this week.

Incidentally, Paul Bluss has his store at 51 West 46th Street and this place is a rendezvous for hundreds of collectors, day in and day out and if you ever want a good guide to see New York, do not forget to see Mr. Bluss. I believe he might well put up a sign offering personally conducted tours and that he would soon become famous for his efforts.

It is impossible in the space at my command to say more or to mention the many kindnesses shown us by everyone whom we met in New York, but I do want to say that we made a new contact with a splendid young man who is going to look after our interests with the stamp trade and we anticipate making many new connections through this new source of contact.

Next week I will have caught up with other matters and will try to get down to brass tacks again and see what is happening in the stamp world. Thanks a million to everyone 'till we meet again.

Amelia Earhart Seal To Be Issued By 99's All Woman Air Show

An official Amelia Earhart Seal, the first of its kind, will be issued during the Ninety-Nines Second Annual All Woman Air show of the World to be staged June 1-6, 1948 on Amelia Earhart Field, Miami, Florida in commemoration of the eleventh anniversary of Miss Earhart's take off from this airport on her last flight. She disappeared one month later in the Pacific and was never heard from again.

The postage stamp size Seal bears a likeness of the famed aviatrix who founded the Ninety-Nines, international organization of licensed women pilots, in 1939 and became their first and most beloved president. In the background an airplane can be seen flying through tropical skies.

The official Amelia Earhart Seal will be aboard planes participating in the Transcontinental Race and five Air Derbies which are feature events of the All Woman Air Show of the World, the only show of its kind today. Miss Frances Langford, glamorous star of screen and radio, is Official Starter of the Transcontinental Race which will take off on June 1st from Clover Field, Santa Monica, California and race to Amelia Earhart Field, Miami, Florida. The five Air Derbies also will take to the air on June 1st originating at Dallas, Texas, Wichita, Kansas, St. Louis, Mo., Detroit, Mich., and New York, N. Y. also flying to the Miami show.

The drive to sell the official Amelia Earhart Seal has been designated as the "Flight of Dimes" to benefit the Amelia Earhart Memorial Foundation for women pilots which is similar in benefits as the Actors Guild.

Persons interested in participating in the "Flight of Dimes" are instructed to address all orders to the "Flight of Dimes", 99's All Woman Air Show of the World Hdqts 456 N. 1. 29 Street,

Miami, Florida, enclosing a self-addressed envelope with a five (5c) cent U. S. Air Mail stamp affixed to each envelope and a ten (10c) cents to cover purchase of each official Amelia Earhart Seal and service charge for handling of each individual envelope.

Upon receipt of envelopes at the Miami Headquarters, Air Show officials will place the official Amelia Earhart Seal on the face of the cover and forward it to the originating point of the planes participating in the Transcontinental Race or any of the five Air Derbies.

When the participating planes arrive at Amelia Earhart Field in Miami the envelopes bearing the official Amelia Earhart Seal will receive a statement of the Flight they made and the pilot of the plane will autograph the cover. Immediately after the autographing ceremonies the envelopes will be deposited at the Post Office in Miami, Florida for cancellation during the official dates of the Ninety-Nines All Woman Air Show of the World.

All collectors planning to participate in the "Flight of Dimes" are urged to send in their envelopes with the service charge fee as soon as possible to be assured of them being placed aboard the planes on the Air Show flights. Deadline for receipts at the Miami Headquarters has been set for May 25, 1948.

Inventory List For All Stamps Available

Many collectors find it desirable to keep an inventory of the stamps that they have in their collections and in their investment part of the hobby. A short time ago, the firm of F. Dorfman, 318 Lenox Rd., Brooklyn 26, N. Y. published such a list for United States stamps and called it the "Stampost". This list provided space for the catalog numbers of the stamps, the quantities, the purchase price, the selling price and the catalog price. Those listings were given for stamps from mint and used singles, up to full sheets.

Dorfman's now announce that due to the popularity of the Stampost for the U. S. stamps, they have compiled one that will be adaptable to stamps of all countries, to be known as the "World Wide Stampost". The same divisions and classifications that held for the U. S. section, will be found in this new one for the world. Collectors who might be interested in this modern method of keeping tract of their collections and investments, can write to Dorfman at the above address with their requests for information.

Congratulations To Canadian Publisher

Congratulations are certainly in order for A. L. McCready, publisher of "Popular Stamps", the leading philatelic publication of Canada on his attaining the 100th issue of his monthly stamp paper. This anniversary issue occurred with the April number, and is more than twice the size of the normal issue. A number of fine articles as usual are to be found within its covers, along with which is a resume of the progress of the paper since its beginning.

This is the first of the philatelic publications printed in Canada that has had a life of ten years and did not derive its support from a club or from being the house organ of a dealer. For that reason alone Mr. McCready deserves commendation but his publishing status has been assured by the quality of the reading matter that he supplies to his subscribers.

Prospectus Ready For SPA Exhibitors

A total of 275 frames will be the capacity of the exhibition to be held in conjunction with the Society of Philatelic Americans Convention in Detroit, Michigan this coming September. Convention and exhibition headquarters will be the Detroit-Leland Hotel, the dates September 17, 18 and 19. Henry Gates the general chairman, has announced that the prospectus for exhibitors is now available and can be obtained from him by addressing a request for it to 5300 West Outer Dr., Detroit, Mich. Cost per frame will be \$1.50.

**Reliant Catalog Lists
British Empire Stamps**

Announcement has been made
by The Reliant Stamp Press,
Ltd., 167 Strand, London W.C. 2.,
England that the Eighth Edition
of the Reliant Stamp Catalog is
now ready for collectors. It is
the 1948 number of this well
known collector's handbook
which lists prices and carries
illustrations of the stamps of
Great Britain, the Colonies, Do-
minions, and of Egypt, Eire and
Iraq.

The book has been compiled
with the thought in mind of fur-
nishing information to the average
collector of these stamps, and for
that reason many of the inconse-
quential minor Varieties have not
been listed. Neither have the
dates of issue, or the quantities
printed been given for the stamps,
although the year dates have. The
stamps are priced both mint and
used, while the names and ad-
dresses of dealers who will sell
the stamps listed at these prices
are included with the book.

The paper on which the cata-
log is printed is not of the type
to reproduce the illustrations as
well as could be wanted, but they
still are sufficiently good enough
to help with the identification of
any stamp. The Reliant Catalog
is bound between paper covers,
has over 200 pages, and contains
1000 illustrations and 30,000
prices. It can be obtained from
the Reliant Press at the above
address for six shillings, post-
paid.

**Supplement Issued
To Original Catalog**

Dealers who have the 1948
Wholesale Price List of J. and H.
Stolow, 50 W. 46th St., New York
19, N. Y. will be interested to
know that this firm has released
the first supplement to this cata-
log. This supplement, marked as
No. 1, contains a list of the offer-
ings made in the original that are
now sold out, along with price
changes and new offerings of
stamps in sets and singles. Most
of the sets released since mid 1947
are found in the supplement along
with some purchases of the older
mint sets that Stolow were able
to make.

Both the original 1948 price list
and the Supplement No. 1 are
available to dealers on request at
the above address.

America's First Philatelic Colony

San Clemente, California

by

ROBERT L. HOLLENSHEAD,
FOUNDER

There is an old popular song with the title, "Did You Ever See a Dream Walking." Of course this quite naturally seems far-fetched. But—believe it or not—that is exactly what happened in the case of the PHILATELIC COLONY.

Several months ago, your writer awakened from a sound sleep during which his dream was doing plenty of walking. I was, in my dream, actually attending a session of a group of stamp collectors. There was the exhibition, the bourse tables; a lecture was going on and everywhere I went I recognized stamp collectors and dealers. They were trading stamps, selling stamps, looking at stamps in exhibits; they were fishing, on boats, on the beach, on the tennis courts—in fact, stamp collectors were everywhere!

I not only recognized friends in attendance but I recognized the locale of my dreams. My family and I had been there many times, for it is one of the most beautiful spots in Southern California, if not in all Western America. It was San Clemente—where the mountains meet the sea in a gorgeous panoramic color scene.

Yes, this was one of the most realistic dreams I have ever had so realistic that upon awakening the vision was still with me. The balance of the night was spent wide awake, with ideas running rampant. Finally, a plan was evolved. Why not establish such a meeting place for stamp collectors and their families? We all go someplace for our vacations. Why not combine the vacation features we all love with a colony for stamp collectors? Why not?

Being more or less of a practical person and feeling that I had something of real worth to our great hobby, I contacted several friends whose opinions I respect. Among them was James Beveridge, former president of the Federated Philatelic Clubs of Southern California. "Jim" encouraged me no end. "Go ahead," said he. There followed "Charlie" Leavens, president of the Federation; Dr. Albert Salathe of Long Beach; Robert Hase, of La Jolla; Edward Kaufman, air mail specialist and Hollywood movie producer; "Tommy" Lawrence of Lawrence and Graves, Hollywood dealers; "Dick" Baker of Ventura; Fred Coops, president of the Southern California Stamp Dealer's Association who, in turn, invited me to present the plan at a dealer's meeting. Encouragement greeted me at every turn and upon presentation of the idea to Mr. Don Smith of the San Clemente Chamber of Commerce, the plan was heartily approved and later, officially endorsed by their Board of Directors.

Then came written personal endorsements from not only the above but from Donald Lybarger, president of the American Philatelic Society; Hil F. Best, vice-president of the Society of Philatelic Americans; L. G. Brookman of Minneapolis; "Cy" Thompson, president of San Francisco's Collector's Club and others.

A Dream Comes True

Now part of the dream has become a reality. There will in reality be a PHILATELIC COLONY at San Clemente, Calif. with the first summer session opening June 1st, 1948 and continuing through to the 1st of October. Actually, you can plan your vacation at any time during these months, and the "show will be on." And so here is great news for stamp collectors and their families: Can you imagine a greater thrill than combining a vacation of a week, a month or season, in association with fellow stamp collectors? The PHILATELIC COLONY, located in San Clemente, Southern California's Beauty Spot, is the answer! Here can be enjoyed the exchange of philatelic information, outstanding exhibits from famous collections and lectures by leading philatelic authorities. Here will be the Bourse Patio, a unique assemblage where dealers and collectors will offer stamps for sale and trade. In short, the PHILATELIC COLONY is the stamp enthusiasts Utopia.

The PHILATELIC COLONY is entirely new. Nowhere today is there another place where collectors and their families can find a common meeting ground of interests. Here is a vacation for the entire family with swimming, riding, golfing, tennis, fishing in all forms or "stamping" with fellow philatelists.

West Coast Conventions

It is expected that a West Coast Regional Convention of one of the national stamp societies will occur at the PHILATELIC COLONY. It has been further suggested that it is about time the West Coast was host to one of the two national groups for an international convention in Los Angeles, California with special events at San Clemente's PHILATELIC COLONY.

In closing, I fully anticipate that my dream will transmit itself to hundreds of collectors who will meet this summer for the COLONY'S first session and I will meet you in San Clemente.

There will be questions, of course, and I assure all readers of this article that I will be glad to hear from them and will be pleased to answer any question by return mail. My address is 615 North Bushnell Ave., Alhambra, California.

New SFTW Director In The Chicago Area

The Chicago area of Stamps For The Wounded will have a new regional director according to Ernest A. Kehr, national chairman of the movement. W. V. Kenworthy who has directed these activities for wounded veterans has announced that he must resign this post due to the press of added professional duties. C. Beecher Peterson, 406 Third Ave., Joliet, Ill. will assume the work and the duties formerly carried by Mr. Kenworthy and will be the new director. He will be pleased to have anyone write or call upon him at the above address in relation to his new work.

Cachet Planned From Home Of The Wrights

The Dayton Philatelic Society is working in close cooperation with Postmaster Harry Schiewetz of the Dayton, Ohio post office in the celebration of National Air Mail Week, May 15-21. The club prepared frames relating to air-mail stamps and aero-philatelic material at the request of Postmaster Schiewetz, and these will be displayed prominently in various parts of the main lobby. It was felt that Dayton in its role of The Cradle of Aviation, and the birthplace and the home of the Wright Brothers, inventors of the airplane, should celebrate this week in a better than ordinary manner.

On its part, the club will add its share to the citywide celebration by sponsoring a printed cachet. The cachet will be printed on airmail envelopes, and will bear the new 5c air coil stamp for the prepayment of the postage. The cost to interested collectors will be ten cents per cover. All requests are to be directed to Russel Lyle, 19 W. Beechwood Ave., Dayton 5, Ohio.

Collectors are not to send their own covers, since the club will furnish the cacheted envelopes, the stamp and will apply the addresses to them. Therefore all that is required is to clearly print the name and the address to which the covers are to be sent on a piece of paper, and to enclose this with ten cents per cover to the above address.

First Exhibition Was Successful

The winners of awards in the First Annual Exhibition of the Ford Employees Stamp Club of Michigan were led by W. R. Terrill who took the grand award with a display of singles and plate number blocks in mint condition. The most popular exhibit according to the visitors who voted, was taken by Albert Felice who exhibited five frames of highly specialized Ford Covers.

Other award winners were the following first placers: W. R. Terrill in United States; J. A. Marshall for Foreign; Walter Nash for Topical and a special award went to A. Felice for a cover display. The show was visited by many of the members of the Ford Employees Stamp Club of Canada which club works closely with the Michigan group.

GOING INTO STAMPS?

Or are you in it and getting nowhere. After 25 years in the stamp business I retired I made a go of it. So can you. There are a lot of angles. Maybe I can help you.

ORDINARY, OR V. F. TO SUPERB STAMPS

We sell Mint stamps of France, U. S. 20th Century, Germany, Vatican City, and Brazil. All stamps, whenever possible, are in V. F. to superb condition. Condition is the most important factor governing the collection of postage stamps. This applies to foreign stamps as well as to U. S. stamps. We entered the retail stamp business because, as collectors, we found it almost impossible to obtain foreign stamps in V. F. to superb condition. We have corrected this abuse. You can obtain V. F. to superb foreign stamps from us and at prices competitive to the prices being asked for ordinary "run-of-the-mill" stamps. As long as sufficient collectors will support us by buying their needs from us we can continue to fight the battle for the collector. We ask nothing but that you give us a chance to fill your orders at competitive prices with high class V. F. to superb stamps. As long as we give you, the collector, the extra service of fighting to right abuses against you, we believe we should be given an opportunity of serving you.

Here is a short list of some stamps we sell, at our everyday prices, to show you our prices are competitive.

BY CARL P. RUETH

Don't look now, but any similarity between a well centered stamp and the Mississippi issue is purely coincidental. The Post Office Department states that a total of 110 million will or has been printed, and it is a good bet that of that amount only about one million are good collecting material. If you find some, well centered, treasure them, if you don't find any, better write to the Philatelic Agency.

1. What commemorative issue featured in its designs various means of transportation?
2. With two exceptions, each of the designs of another commemorative series carried members of the animal kingdom in the design. Name the series, the values and the animals.

Now and again someone writes me that they have received an envelope on which a foreign stamp was used to prepay the postage even though the mail was deposited in a United States Post Office. They figure that that is a pretty fair stunt to fool the postal clerks with. As fast as most clerks have to work in the larger post offices, they do not have the time to check the stamps on each piece of mail. Likewise, your mail carrier and your local postmaster might be good sports who figuratively look the other way. But don't be surprised if one day such a piece of mail hits the office of a postmaster who has gotten out of the wrong side of bed and whose ulcers are acting up. He might bring a Postal Inspector to your door step.

From several sources recently has come the question, what are those stamps that have initials punched in them, and what is their worth. The stamps have had the initials added by the company that has purchased them and the intention is to be able to identify

any such stamps that might be or are being stolen. As to worth, nearly all collectors throw them away as poor copies—junk in fact. But there is a group in this country, national in membership, the members of which specialize in these initialed stamps. In England, where money is not plentiful, a very large number of collectors go for these practically worthless items and build them into mighty fine collections. All of which proves that you can have a lot of fun in stamps even though

When 30,000 troops descend on Camp Campbell near Clarksville, Tenn. for Spring and Summer maneuvers, their mail should be addressed to A. P. O. 112, care Postmaster, Clarksville, Tenn. Just a tip on the location of a coming APO in this country.

OUR PERIODICAL GOOD

TURN FOR THE POD: Those of you who want to send mail to that land where wooden shoes and windmills are synonymous to the country, Holland, are asked in the future to address your mail to the Netherlands, which is the official name. The POD states that a lot of double work is being caused when persons who want their mail to go to the Netherlands, have it wind up at Holland, Michigan. And by the way, Holland, Michigan was populated by the Dutch immigrants who each year sponsor a tulip festival worth a lot of driving or riding to attend.

On The Trail of the Mailomats: A. M. Vaughn of Atlanta, Ga. sends direct proof of the fact that the first day for the Mailomat installed in that city was April 23. A first day card sent here testifies to the fact.

Major James T. DeVoss, who might be called a philatelic power house, because of his intense interest and work in stamp collecting, came through with a clever announcement of the birth to himself and Mrs. DeVoss of Robert Neal, a 7½ pound son at the Walter Reed General Hospital, Washington, D. C. on April 19 at 9:55 a. m. The announcement came in the form of a first day cover with a cachet bearing the pictures of the proud parents, and the wording telling of Robert Neal's arrival. A simulated postmark carried the name of the hospital, the city, the date and hour of birth and the wording, "First Day of Issue". Major DeVoss rates as "Mr. Collector" up around Washington, D. C. philatelic circles. Congratulations to the parents!

To a prominent wholesaler: A dealer who has been around as long as you have should know that you positively can not reproduce a United States stamp in color. And right there on the front cover of your brand new wholesale list you have reproduced the \$5 value of the 1922-26 issue, Scott No. 573 in that very way. I wonder if they are readying a cell for you in Leavenworth? Tsk, tsk.

A lot of individual collectors have the feeling that a new regular postage series is impending since the one now current, the Presidential series, has been with us for nearly ten years. This Column has presented the better ideas on the designs that have been suggested. E. D. Peterson of Los Angeles suggests that any new series should honor cities of the USA. This can be accomplished by showing a familiar or famous scene of any particular city depicted. I too believe that a new series is about due, but there hasn't been any official hints on the matter.

It's just a guess, but I believe that one of these days when the Philatelic Agency has accumulated a decent stock of stamps of the discontinued values of the Presidential series, that they will put them back on the Agency list. But the big point is this—do not expect them to remain there for any length of time. When you hear that they are back on, get in with your money at once.

Last week, I offered the names of two collectors who offered their help in supplying collectors with unused 5c Centenary Air Mail stamped envelopes. This week three more have been gracious enough to offer their services in this respect. The same rules hold as last week; these were—

(The San Diego tip came from Earl S. Yohn, 3733 Wilson Ave., of that city)

2. No more than five envelopes to anyone.
3. Figure the cost at 6c each. That is the actual selling price per envelope. Remit by Postal Note or Money Order only.
4. Include a self-addressed stamped envelope for the return of the ones that you buy, or for the return of your payment if the quantity on hand is sold out by the time that your request is received.
5. All the above are stamp collectors, just like you and you and you. Their only pay for this fine service is the commems that you use on your mail, so use good ones.
6. Dealers will not be supplied.

How about the answers?

1. The Pan American Exposition issue of 1901. The six stamps pictured the following: Lake Steamer, Express Train, Automobile, Niagara Falls Bridge, Canal Lock and Steamer at Sault Ste. Marie, and an Ocean Liner.
2. All except the 1c and the 5c values of the Trans-Mississippi Exposition issue had animals in the design. Shown were, 2c-Horses; 4c-Bison; 8c-Horses; 10c-Horses; 50c-Burros; \$1-Cattle; \$2-Horses.

UJA Has Poster Stamps For Collectors

Collectors of Poster Stamps will be interested to know that the backers of the United Jewish Appeal campaign have issued a supply which are given free to those who are interested in this material. Design of the stamp pictures Moses at the Red Sea causing the waters to part for his followers who are grouped around him. Wording on the stamp is "United Jewish Appeal" and "Freedom Month, April 1948".

The committee does hope that requests for the seals are accompanied with a donation which will be added to the funds of the organization. The monies so collected will be used to get displaced persons out of the Displaced Persons Camps of Europe to more livable sections of the world. It might be well to point out at this time that the UJA does not confine its help to persons of the Jewish religion only, for their records show that for every Jewish DP helped, that three Gentiles receive aid also.

Those who would like the Poster Stamps, and who would like to include a donation with the request can obtain them from Norman F. Solomon, P. O. Box 2506, University Sta., Gainesville, Fla. Receipt of the stamps will acknowledge any donations.

Cachets Planned
For Railroad Show

For about two months this summer, Chicago will be the host to one of the largest Railroad Fairs ever held in this country. To be staged on the Lake Front, all manner of rolling stock will be exhibited including coaches, pullmans and full trains. It is to open on July 20. During the show there will be some cachets sponsored, perhaps as many as five of them; collectors wanting any of them can do so through J. Gaydos, 1437 Gregory St., Chicago 40, Ill.

No cost will be made to cover and cachet fans for whatever cachets are sponsored, and Mr. Gaydos will make no charge for handling these for collectors. He asks that envelopes be sent to him on which the names and the addresses to which they are to be sent have been written, and also on which stamps to prepay first class postage either air or surface mail have been added. A space 2 1/2 by 2 1/2 inches should be clear on the left hand side of the envelopes for the application of the cachets.

Envelopes to be serviced should be sent to Mr. Gaydos at the above address. Any that are not used will be returned by him at the end of the show.

English Collector
Feted At Dinner

When on April 21, the Michigan Stamp Club was addressed by Robson Lowe, well known English collector, the club took the occasion to present Mr. Lowe with a life membership. Scene of the dinner was the Stockholm Restaurant in Detroit. Thirty guests had assembled to greet Mr. Lowe, all of whom were placed at ease and in good spirits through the toastmastering of Hil F. Best. The guest of honor was introduced by Henry Gates.

MOTHER'S DAY

(Continued from Page 1)

being a universal recognition of a day to honor mothers. One of the earliest of the foreign nations to recognize Mother's Day was England. Celebrations in honor of Mother were started in 1913 and have become more firmly established each year.

Since 1912, the governor of Texas has observed the day by pardoning certain prisoners then. Generally, Mothers Day is observed by churches of all creeds on the day of national observance, while the public and parochial schools have appropriate ceremonies for their pupils on the Friday preceding the day.

Sometime after Mother's Day was established, there was an attempt to incorporate fathers into the celebration and make the day one to honor both the parents. But this idea had little acceptance generally, and the honoring of father was given a day of its own which occurs in June.

The generally accepted tradition for the wearing of flowers on Mother's Day by both men and women centers about the carnation. The person wearing a white carnation indicates that his or her mother has passed from this life, while the wearer of a red carnation wears it prominently when he or she visits their mother on that day.

Dinner Guests Are
Given Nice Surprise

Editor Major James T. DeVoss of the "Armed Forces Philatelist" official organ of the Pentagon Philatelic Society gave a nice surprise to the members and the guests of the club when on the evening of April 15, he produced copies of his paper two minutes after the last speaker for the evening had finished. The occasion for the surprise was a dinner meeting during which the assembled guests were addressed by a prominent collector and publisher.

While newly organized, this society has been moving forward by leaps and bounds. All military and civilian members of the National Military Establishment are eligible for membership in the Pentagon Philatelic Society. This includes those on reserve, national guard or retired status as well as those on active duty. If any readers who are eligible for membership are interested in this organization the PPS will be more than happy to send them a copy of the bulletin and any additional information about the Society that they desire.

Philatelic societies who desire to exchange publications are invited to correspond with the Editor of the Armed Forces Philatelist. This is Major James T. DeVoss 11000 N. Kentucky St., Arlington, Va.

ROMANIA. A new stamps connoting the friendship between Bulgaria and Romania has appeared. A brown stamp, 32 lei, it depicts two peasants shaking hands across the River Danube which extends into the distance. First day of sale was March 25, 1948.

A new set of three values, 1 L, 2L and 12L, red, yellow and blue, respectively honoring the new constitution of the Romanian Popular Republic has appeared. The design of all three stamps depicts a woman symbolizing Romania upholding a document over her head, presumably the constitution, while three men, a worker, an engineer and a farmer look up in admiration. The colors of the stamps of this set are the national colors - red, gold and blue. Size of issue: 3,000,000.

Parenthetically, the stamps bearing the effigy of ex-King Michael without the effacing are still in use.

POLAND: On April 18th, a 15 zloty black stamp appeared commemorating the Vth Anniversary of the uprising of the Warsaw Ghetto on April 19, 1943. The design shows an associated man and woman, gaunt-eyed and hollow-cheeked holding rifles in their hands. Left border and bottom inscriptions explain the reason for issue. First day covers bore a special rectangular Warsaw cancellation, in use for one day.

POLAND Three additional values of the highly attractive centaur airmail set have appeared: 15 zloty, deep purple, 25 zloty, blue, and 30 zloty, brown.

U. S. Fans! There is no need for us to tell you that our stamps are better or more stupendous, gigantic and gorgeous than the next fellows. That's smacks only of some wide eyed Hollywood press agent. It's just so much hot air and can mean nothing to you, but we can tell you and prove it, that you can not and will not find any one that will give more prompt service and better quality. Collectors all over the country are finding this to be true and are coming back with repeat orders. You, too, can benefit from our prompt service.
